LAKE COUNTY, FLORIDA AND  
RUBY BUILDERS, INC.  
FOR DOOR INSPECTION AND MAINTENANCE  
RFP # 16-0434**

This is an Agreement between Lake County, Florida, a political subdivision of the State of Florida, herein referred to as COUNTY, by and through its Board of County Commissioners, and Ruby Builders, Inc., a Florida corporation, its successors and assigns, herein referred to as CONTRACTOR.

**WITNESSETH:**

**WHEREAS**, the COUNTY publicly submitted a Request for Proposal (RFP) # 16-0434 seeking firms or individuals qualified to provide inventory inspections, testing, maintenance, and repairs to all Lake County doors; and

**WHEREAS**, CONTRACTOR desires to perform such services subject to the terms of this Agreement; and

**WHEREAS**, the provision of such services will benefit the parties and the residents of Lake County, Florida.

**NOW, THEREFORE, IN CONSIDERATION** of the mutual terms, understandings, conditions, promises, covenants and payment hereinafter set forth, and intending to be legally bound, the parties hereby agree as follows:

**Article 1. Recitals**

**1.1** The foregoing recitals are true and correct and incorporated herein.

**Article 2. Purpose**

**2.1** The purpose of this Agreement is for CONTRACTOR to provide inventory inspections, testing, maintenance, and repairs to all Lake County doors, hereinafter referred to as the "Service."

**Article 3. Scope of Professional Services**

**3.1** On the terms and conditions set forth in this Agreement, COUNTY hereby engages CONTRACTOR to provide all labor, materials and equipment to complete the Service in accordance with the Scope of Services, attached hereto and incorporated herein as **Attachment A**, as modified or clarified by Addendum(s) #1 dated July 1, 2016, attached hereto and incorporated herein by reference as **Attachment B**. It is understood that the Scope of Services may be modified by change order as the Service progresses, but to be effective and binding, any such change order must be in writing, executed by the parties, and in accordance with the COUNTY's Purchasing Policies and Procedures. A copy of these policies and procedures shall be made available to the CONTRACTOR upon request.

**3.2** The term of this Agreement shall be for a twelve (12) month term and that the CONTRACTOR shall complete the work as specified in the Scope of Services. The COUNTY has the option to renew this

Agreement for four (4) additional one (1) year period(s). The prices set forth in this Agreement shall prevail for the full duration of the initial contract term unless otherwise indicated elsewhere in this document. Prior to completion of each exercised contract term, the COUNTY may consider an adjustment to price based on changes in the following pricing index: CPI. It is the CONTRACTOR's responsibility to request any pricing adjustment in writing under this provision. The CONTRACTOR's written request for adjustment should be submitted thirty (30) calendar days prior to expiration of the then current contract term and clearly substantiate the requested increase. The written request for adjustment should not be in excess of the relevant pricing index change. If no adjustment request is received from the CONTRACTOR, the COUNTY will assume that the CONTRACTOR has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period shall not be considered. The COUNTY reserves the right to reject any written price adjustments submitted by the CONTRACTOR and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a COUNTY's prerogative, and not a right of the CONTRACTOR. This prerogative will be exercised only when such continuation is clearly in the best interest of the COUNTY.

All work shall be performed in accordance with good commercial practice. The work schedule and completion dates shall be adhered to by the CONTRACTOR except in such cases where the completion date will be delayed due to acts of God, strikes, or other causes beyond the control of the CONTRACTOR. In these cases, the CONTRACTOR shall notify the COUNTY of the delays in advance of the original completion so that a revised delivery schedule can be appropriately considered by the COUNTY. No additional days shall be granted for rain delays.

**3.3** The CONTRACTOR shall be solely responsible for obtaining all necessary approvals and permits to complete the Service.

**3.4** The CONTRACTOR shall remain appropriately licensed and/or employ the services of a subcontractor who is appropriately licensed throughout the course of the Service. Failure to maintain all required licenses shall entitle the COUNTY, at its option, to terminate this Agreement.

**3.5** Although this Agreement identifies specific facilities to be serviced, it is hereby agreed and understood that any County department or agency facility may be added to this Agreement at the option of the County. When required by the pricing structure of the Agreement, the CONTRACTOR shall be invited to submit price quotes for these additional facilities. The additional site(s) shall be added to this Agreement by formal modification. The COUNTY may obtain price quotes for the additional facilities from other vendors in the event that fair and reasonable pricing is not obtained from the CONTRACTOR or for other reasons at the County's discretion. Although this Agreement identifies specific facilities to be serviced, it is hereby agreed and understood that any County department or agency may delete service for any facility when such service is no longer required, upon fourteen (14) calendar days written notice.

**3.6** The CONTRACTOR acknowledges that it has sufficient understanding of the nature and location of the work; the general and local conditions, including but not limited to, those bearing upon transportation, disposal, handling and storage of materials; availability of labor, water, electric power, and roads; and uncertainties of weather or similar physical conditions at the site; the character of equipment and facilities needed preliminary to and during the completion of the Service. The CONTRACTOR further acknowledges that the CONTRACTOR has satisfied itself as to the character, quality and quantity of surface and subsurface materials, obstacles or conditions of the site. Any failure by the CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions shall not relieve the CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor shall it be considered a basis for any claim for additional time or

compensation. The COUNTY assumes no responsibility for any conclusions or interpretations made by the CONTRACTOR on the basis of the information made available by the COUNTY. The COUNTY also assumes no responsibility for any understanding or representations made by its officers or agents during or prior to the execution of this contract, unless such understanding or interpretations are made in writing and incorporated herein by reference.

**3.7** If required, the Contractors shall attend a mandatory pre-bid meeting. Whether or not there is a mandatory or non-mandatory pre-bid, the contractor shall be required to carefully examine any supplied drawings and/or specifications and be thoroughly aware regarding any and all conditions that may in any manner affect the work to be performed under the contract. If a pre-bid meeting is not required the Contractor shall visit the site to familiarize themselves with the Service, see existing conditions, and take measurements. No additional allowances will be made for lack of knowledge of these conditions.

**3.8** In the event of any conflict between the drawings and specifications contained within this Agreement, the following shall govern:

A. Addenda shall supersede all other contract documents to the extent specified in the addenda. Subsequent addenda shall supersede prior addenda only to the extent specified therein.

B. Drawings and specifications are intended to agree and be mutually complete. Any item not contained within the drawings, but contained in the specifications, or vice-versa, shall be provided and/or executed as shown in either the drawing or specification at no extra costs to the COUNTY. Should anything not included in either the drawing and/or the specifications be necessary for the proper construction and/or operation of the Service as herein specified, or should any error or disagreement between the specifications and drawings exist or appear to exist, the CONTRACTOR shall not derive unjust benefit thereby, or use such disagreement counter to the best interests of the COUNTY. The CONTRACTOR shall immediately notify the COUNTY's Project Manager of any discrepancy and await the Project Manager's direction before proceeding with the work in question.

**3.9** CONTRACTOR acknowledges and agrees that CONTRACTOR shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of:

A. All persons employed by the CONTRACTOR during the term of this Agreement to perform employment duties within Lake County; and

B. All persons, including subcontractors, assigned by the CONTRACTOR to perform work pursuant to the contract.

**3.10** CONTRACTOR acknowledges and agrees that, in accordance with Section 255.099, Florida Statutes, if the Service assigned to CONTRACTOR is being supported in whole or in part by State funding the CONTRACTOR shall give preference to the employment of state residents in the performance of the work on the Service if state residents have substantially equal qualifications to those of non-residents. If the CONTRACTOR is required to employ state residents, the CONTRACTOR shall contact the Department of Economic Opportunity to post the employment needs in the State's job bank system. However, in work involving the expenditure of federal aid funds, this section may not be enforced in such a manner as to conflict with or be contrary to federal law prescribing a labor preference to honorably discharged soldiers, sailors, or marines, or prohibiting as unlawful any other preference or discrimination among the citizens of the United States.

#### **Article 4. Payment**

**4.1** The COUNTY shall pay and CONTRACTOR shall accept, as full and complete payment for the timely and complete performance of its obligations hereunder as provided in the Pricing Schedule which is attached as **Attachment C** to this Agreement and which is made a part of this Agreement by reference.

A fixed lump sum price represents the CONTRACTOR's base bid plus the optional portion of the Service, including all applicable taxes, materials, labor, supervision, fuel, permits, licenses, management and overhead, unless a duly authorized change order has been issued in accordance with the COUNTY's purchasing policies and procedures.

Any hourly rate quoted shall be deemed to provide full compensation to the CONTRACTOR for labor, supervision, equipment use, travel time, and all other costs associated with providing the services needed to satisfactorily complete all work provided. This rate is assumed to be at straight-time for all labor, except as otherwise noted.

The Contractor shall also submit with their invoice a completed "Certification of Payment to Subcontractors and Suppliers" form. Failure to submit invoices in the prescribed manner will delay payment, and the CONTRACTOR may be considered in default of contract and its contract may be terminated. Final invoices shall include an original, completed "Certification of Payment to Subcontractors and Suppliers" form, if applicable.

The Contractor may receive periodic payments on a thirty (30) day interval for Service tasks completed during that period by the Contractor and approved by the COUNTY's Project Manager. Retention of funds shall be held in accordance with Florida Prompt Payment Act. In order for the County to provide payment, the Contractor shall submit a fully documented invoice that provides the basic information set forth below.

**4.3** The COUNTY shall make payment on all undisputed invoices in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. The COUNTY shall not make payment on partial delivery of supplies, services, or materials.

**4.4** In the event any part of this Agreement or the Service, is to be funded by federal, state, or other local agency monies, the CONTRACTOR hereby agrees to cooperate with the COUNTY in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or state granting agency, and receiving no payment until all required forms are completed and submitted. A copy of the requirements shall be supplied to the CONTRACTOR by the COUNTY upon request.

#### **Article 5. County Responsibilities**

The time for completion requirements are contained in Article 3.2 above.

C. D. If the CONTRACTOR complies with the twenty-four (24) hour notice requirement, the COUNTY shall ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY's sole judgment, the findings of fact justify such an extension. The CONTRACTOR shall cooperate with the COUNTY's investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact the CONTRACTOR's construction

schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

**6.8 Changes in the Scope of Services.**

A. The COUNTY may at any time, by written change order, in accordance with the COUNTY's Purchasing Policy and Procedures, increase or decrease the scope of the work. For changes in work requested by CONTRACTOR, the CONTRACTOR shall prepare and submit change order requests for COUNTY approval. Each change order shall include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and the CONTRACTOR shall execute the change order.

B. The value of such extra work or change shall be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change shall be computed from such values and added to or deducted from the contract price.

C. If the COUNTY and the CONTRACTOR are unable to agree on the change order for requested change, the CONTRACTOR shall, nevertheless, promptly perform the change as directed in writing by the COUNTY. If the CONTRACTOR disagrees with the COUNTY's adjustment determination, the CONTRACTOR must make a claim pursuant to the Claims and Disputes section herein, or else be deemed to have waived any claim on this matter the CONTRACTOR might have otherwise had.

D. For work not contemplated by the original Agreement, the amount of an increase shall be limited to the CONTRACTOR's reasonable direct labor and material costs and reasonable actual equipment costs as a result of the change (including allowance for labor burden costs) plus a maximum ten percent (10%) markup for all overhead and profit, unless otherwise agreed to in writing by the COUNTY. In such case, the CONTRACTOR shall keep and present to the COUNTY an itemized accounting together with appropriate supporting data. In the event such changed work is performed by a subcontractor, a maximum ten percent (10%) markup for all overhead and profit for all subcontractors' direct labor and material costs and actual equipment costs shall be permitted, with a maximum five percent (5%) markup thereon by the CONTRACTOR for all of its overhead and profit, for a total overall maximum markup of fifteen percent (15%) of the amount of changed work. All compensation due the CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above.

E. The COUNTY shall not be liable to the CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with COUNTY policy. The payment authorized by such a change order shall represent full and complete compensation to the CONTRACTOR for labor, materials, incidental expenses, overhead, profit, impact costs and time associated with the work authorized by such change order.

F. Execution by the CONTRACTOR of a properly authorized change order shall be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order.

G. Upon receipt of an approved change order, changes in the Scope of Services shall be promptly performed. All changes in work shall be performed under the terms and conditions of this Agreement.

## **6.9     Claims and Disputes.**

A.       Claims by the CONTRACTOR shall be made in writing to the COUNTY within two (2) business days, unless another provision of this Agreement sets forth a different time frame, after the commencement of the event giving rise to such claim or the CONTRACTOR shall be deemed to have waived the claim. All claims shall be priced in accordance with the section in this document entitled "Changes in Work".

B.       The CONTRACTOR shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments on the undisputed portion of the contract in accordance with the contract documents during the pendency of any claim.

C.       Claims by the CONTRACTOR shall be resolved in the following manner: (1) Upon receiving the claim and supporting data, the COUNTY shall within fifteen (15) calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY shall specify the grounds for denial. The CONTRACTOR shall then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is. (2) If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator shall be mutually selected by the parties and each party shall pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, the CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

D.       Claims by the COUNTY against the CONTRACTOR shall be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. Written supporting data shall be submitted to the CONTRACTOR. All claims shall be priced in accordance with the provisions of the section in this document entitled "Changes in Work". The CONTRACTOR shall respond in writing within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY shall have the option to submit the matter to mediation as set forth in (C) above.

E.       Arbitration shall not be considered as a means of dispute resolution.

F.       **NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME SHALL BE MADE OR ASSERTED AGAINST THE COUNTY BY REASON OF ANY DELAYS.** No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work shall relieve the CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. The CONTRACTOR expressly acknowledges and agrees that the CONTRACTOR shall receive no damages for delay. However, this provision shall not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith or active interference on the part of the COUNTY. Otherwise, CONTRACTOR shall be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

**6.10     Acceptance of the Work and Final Payment.** The work delivered and services rendered under this Agreement shall remain the property of the CONTRACTOR and shall not be deemed complete until a physical inspection and actual usage of the product(s) and/or service(s) is (are) accepted by the COUNTY and shall be in compliance with the terms herein, fully in accord with the specifications and of the highest quality. Any goods and/or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

A. Final Inspection. When all materials have been furnished, all work has been performed, and the construction contemplated by the contract has been satisfactorily completed, the COUNTY shall make the final inspection. The final inspection shall be completed within five (5) business days of receipt of notification from the CONTRACTOR that the Service is ready. The COUNTY shall notify the CONTRACTOR if necessary of any deficiencies with the Service, and the CONTRACTOR shall correct all deficiencies before final acceptance and payment is made.

B. Maintenance of Work. The CONTRACTOR shall maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance shall be maintained until final acceptance by the COUNTY.

C. Final Acceptance. When the Service or any portion thereof, as designated by the COUNTY, is ready for its intended use, the COUNTY and any other invited parties shall make an inspection of the Service, to verify its completeness and develop a punch list of items needing completion or correction before final payment will be made. The CONTRACTOR shall have ten (10) calendar days to correct all deficiencies. An eighty dollar (\$80.00) re-inspection fee shall be applied for the third inspection and any required re-inspection thereafter. The COUNTY shall have the right to exclude the CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that the CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items on the punch list.

When the work provided for under this Agreement has been completely performed by the CONTRACTOR, and the final inspection has been made by the COUNTY, a final invoice will be prepared by the CONTRACTOR. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to the CONTRACTOR in accordance with Article 4 of this Agreement, and after the CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as full settlement of the account under the contract and of all claims in connection therewith. Occupancy by the COUNTY alone does not constitute final acceptance.

D. Waiver of Claims. The CONTRACTOR's acceptance of final payment shall constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of the contract or otherwise related to the Service, except those previously made in writing and identified by the CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY shall be deemed a waiver of the COUNTY's rights to enforce any continuing obligations of the CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

E. Termination of Contractor's Responsibilities. This Agreement will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. The CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

F. Recovery Rights Subsequent to Final Payment. The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of the CONTRACTOR be discovered after the final payment has been made, to claim and recover from the CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

**6.11 Warranties.** All warranties shall begin on the date of the COUNTY's acceptance and shall last for a period of twelve (12) months unless otherwise specified in the scope of services, plans or specifications. The CONTRACTOR shall obtain and assign to the COUNTY all express warranties given to the CONTRACTOR or any subcontractors by any material suppliers, equipment or fixtures to be incorporated into the Service. The CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents shall be new unless otherwise specified, and that all work shall be of good quality, free from defects and in conformance with the contract documents. The CONTRACTOR further warrants to the COUNTY that all materials and equipment furnished under the contract documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for the contract documents. This warranty requirement shall remain in force for the full period identified above, regardless of whether CONTRACTOR is still under contract at the time of the defect. These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law. Further, a specific warranty period is included as a requirement as follows:

A. If sod is used as part of an individual Service, it shall be warranted to be free of noxious and invasive weeds, disease, and insects. If pests and/or noxious weeds manifest themselves within sixty (60) days of placement of the sod, the CONTRACTOR shall treat the affected areas. The process for treating these areas shall be approved by the COUNTY. If the sod does not meet any of the required specifications, the CONTRACTOR shall be responsible to replace it at no expense to the COUNTY. It shall be the responsibility of the CONTRACTOR to insure that the sod is sufficiently established as described as specified in the scope of services, plans, or specifications. If the sod dies or does not become established the CONTRACTOR shall be responsible for the replacement at no cost to the COUNTY.

B. **Correcting Defects Covered Under Warranty.** The CONTRACTOR shall be responsible for promptly correcting any deficiency, at no cost to the COUNTY, within five (5) calendar days after the COUNTY notifies the CONTRACTOR of such deficiency in writing. If the CONTRACTOR fails to honor the warranty and/or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify the CONTRACTOR in writing that the CONTRACTOR may be debarred as a COUNTY vendor, and/or become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five (5) calendar days of receipt of the notice. If the CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place the CONTRACTOR in default of its contract and/or (b) procure the products or services from another source and charge the CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a credit memorandum or through invoicing.

**6.12 Liquidated Damages.** Unless otherwise agreed to, weather events are specifically excluded as excused cause for delay under this agreement and no additional days shall be given for rain days. If the deficiencies have been noted and the remedies have not been completed within the contracted time, the COUNTY may send out a notification notifying CONTRACTOR of assessment of Liquidated Damages that can be applied for any day over the time allowed under this Agreement.

The COUNTY and the CONTRACTOR recognize that, since time is of the essence for this agreement, the COUNTY will suffer financial loss if the work is not completed within the time specified. The COUNTY will be entitled to assess, as Liquidated Damages, but not as a penalty, for each calendar day after the scheduled completion date the Service continues. The Service shall be deemed to be completed on the date the work is considered complete to the satisfaction of the COUNTY. The CONTRACTOR hereby expressly waives and relinquishes any right which it may have to seek to characterize the Liquidated Damages as a penalty. The parties agree that the Liquidated Damages sum represents a fair and reasonable estimate of

the COUNTY'S actual damages at the time of contracting if the CONTRACTOR fails to complete the work in a timely manner. The Liquidated Damages shall be as follows:

<u>Specific Service Amount</u>	<u>Daily Charge Per Calendar Day</u>
\$5,000 and under.....	\$ 25
Over \$5,000 but less than \$10,000.....	\$ 65
\$10,000 or more but less than \$20,000 .....	\$ 91
\$20,000 or more but less than \$30,000 .....	\$121
\$30,000 or more but less than \$40,000 .....	\$166
\$40,000 or more but less than \$50,000 .....	\$228
\$50,001 or more .....	\$250

COUNTY shall retain from the compensation to be paid to CONTRACTOR the above described sum. Any CONTRACTOR that is in default for not completing the work within the time specified, at the option of the COUNTY, may not be permitted to perform work for the COUNTY until the Service is complete and the liquidated damages sum is satisfied.

**6.13 Sanitation.** If the Service does not involve interior work, the CONTRACTOR shall be required to provide and maintain adequate sanitary conveniences for the use of persons employed for the Service. These conveniences shall be maintained at all times without nuisance, and their use shall be strictly enforced. The location of these conveniences shall be subject to the COUNTY's Project Manager's approval. All such facilities shall be installed and maintained in accordance with applicable federal, state, and local laws.

**6.14 Submittals and Equal Products.**

A. Submittals of products required for the Service assigned to the CONTRACTOR hereunder, shall be supplied to the COUNTY for pre-approval prior to the start of the work. These documents shall be provided to the COUNTY at least one (1) week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name, and has not been notated as a "No Substitute," item, such identification is intended to be descriptive and not restrictive, and is to indicate the quality and characteristics of product or service that will be acceptable. If the CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by the CONTRACTOR to the COUNTY. The COUNTY shall make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless the CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response shall be considered as offering the same brand name referenced in the specifications. If the CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished shall be clearly identified. A formal submittal for the alternate/shop drawings shall be submitted. The evaluation of the alternate and the determination as to acceptability of the alternate product or service shall be the responsibility of the COUNTY and will be based upon information furnished by the CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in the CONTRACTOR'S response. To ensure that sufficient information is available, the CONTRACTOR shall furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the

product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

**6.15 Fees.** The following is a list of fees that may be assessed to the CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with COUNTY labor and vehicle usage required for unnecessary inspections or missed appointments. The fees, if any, shall be deducted from the final invoices.

A. Failure to respond to emergency calls	\$250.00/day
B. Late to emergency calls	\$36.00/hour
C. Failure to provide documents or reports	\$75.00/day

Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, shall additionally be charged back to the CONTRACTOR.

## **Article 7. Special Terms and Conditions**

**7.1 Termination.** This Agreement may be terminated by the COUNTY upon ten (10) calendar days advance written notice to the other party; but if any work, service or task hereunder is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until said work, service or task is completed and accepted.

A. Termination for Convenience. In the event this Agreement is terminated or cancelled upon the request and for the convenience of COUNTY with the required ten (10) calendar day advance written notice, COUNTY shall reimburse CONTRACTOR for actual work satisfactorily completed.

B. Termination for Cause. Termination by COUNTY for cause, default, or negligence on the part of CONTRACTOR shall be excluded from the foregoing provision. Termination costs, if any, shall not apply. The ten (10) calendar day advance notice requirement is waived in the event of termination for cause.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, this Agreement shall be canceled and the CONTRACTOR shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services/Tasks delivered under this Agreement.

**7.2 Assignment of Agreement.** This Agreement shall not be assigned except with the written consent of the COUNTY's Procurement Services Director. No such consent shall be construed as making the COUNTY a party to the assignment or subjecting the COUNTY to liability of any kind to any assignee. No assignment shall under any circumstances relieve the CONTRACTOR of liability and obligations under this Agreement and all transactions with the COUNTY must be through the CONTRACTOR. Additionally, unless otherwise stipulated herein, the CONTRACTOR shall notify and obtain prior written consent from the COUNTY prior to being acquired or subject to a hostile takeover. Any acquisition or hostile takeover without the prior consent of the COUNTY may result in termination of this Agreement for default.

## **7.3 Insurance.**

A. The CONTRACTOR shall purchase and maintain at all times during the term of this Agreement, without cost or expense to the COUNTY, policies of insurance as indicated below, with a

company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action whatsoever, for injuries received or damage to property relating to the performance of duties, services and/or obligations of the CONTRACTOR under the terms and provisions of the Agreement. Additionally, the CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the CONTRACTOR any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

While the COUNTY has listed all major items which are utilized by COUNTY departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by the COUNTY during the term of this Agreement. Under these circumstances, a COUNTY representative will contact the CONTRACTOR to obtain a price quote for the similar or ancillary items. The COUNTY reserves the right to award these ancillary items to the CONTRACTOR, another vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

**7.10 Accuracy.** The CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion and coordination of all the services furnished hereunder. The CONTRACTOR shall, without additional compensation, correct or revise any errors, omissions or other deficiencies in resulting from the services provided herein.

additional services to the CONTRACTOR or to acquire the items from another vendor through a separate solicitation.

CONTRACTOR shall provide access to all of its records, which relate directly or indirectly to this Agreement at its place of business during regular business hours. CONTRACTOR shall retain all records pertaining to this Agreement and upon request make them available to the COUNTY for three (3) complete calendar years following expiration of the Agreement. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONTRACTOR to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY's audit shall be reimbursed to the COUNTY by the CONTRACTOR. Any adjustments and/or payments which must be made as a result of any such audit or inspection of the CONTRACTOR's invoices and/or records shall be made within a reasonable amount of time, but in no event shall the time exceed ninety (90) calendar days, from presentation of the COUNTY's audit findings to the CONTRACTOR.

Prior to the close out of the contract, the CONTRACTOR shall appoint a records custodian to handle any records request and provide the custodian's name and telephone number(s) to the Contracting Officer.

B. Any copyright derived from this Agreement shall belong to the author. The author and the CONTRACTOR shall expressly assign to the COUNTY nonexclusive, royalty free rights to use any and all information provided by the CONTRACTOR in any deliverable and/or report for the COUNTY's use which may include publishing in COUNTY documents and distribution as the COUNTY deems to be in the COUNTY's best interests. 1. Keep and maintain public records required by the COUNTY to perform the services identified herein.

2. Upon request from the COUNTY's custodian of public records, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONSULTANT does not transfer the records to the COUNTY.
4. Upon completion of the contract, transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR or keep and maintain public records required by the COUNTY to perform the service. If CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, CONTRACTOR shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If CONTRACTOR keeps and maintains public records upon completion of the contract, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY's custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

Request for permission to work must be received by the COUNTY no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. COUNTY Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; and Christmas Day.

Special schedules may be established if necessary because of problems with noise or similar difficulties affecting other COUNTY facilities, County operations, or citizens in homes or buildings/rooms adjacent to

the work being completed. When the CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, the COUNTY may assess the CONTRACTOR the sum of Two Hundred Fifty Dollars (\$250.00) per man per day for each Saturday, Sunday or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

**7.16 Minimum Wage.** The wage rate paid to all laborers, mechanics and apprentices employed by the CONTRACTOR for the work under the Agreement shall not be less than the prevailing wage rates for similar classifications of work as established by the federal government and enforced by the U.S. Department of Labor, Wages and Hours Division, and Florida's Minimum Wage requirements in Article X, Section 24(f) of the Florida Constitution and enforced by the Florida Legislature by statute or the State Agency for Workforce Innovation by rule, whichever is higher.

**7.17 Protection of Property.** All existing structures, utilities, services, roads, trees, shrubbery and property in which the COUNTY has an interest shall be protected against damage or interrupted services at all times by the CONTRACTOR during the term of this contract, and the CONTRACTOR shall be held responsible for repairing or replacing damaged property to the satisfaction of the COUNTY which is damaged by reason of the CONTRACTOR's operation on the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items damaged as a result of CONTRACTOR or subcontractor operations belonging to third parties, such as but not limited to: sidewalks, irrigation, curbs, pipes, drains, water mains, pavement, mail boxes, turf, signs, or other property shall either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

Furthermore, if the Service is to be completed within COUNTY facilities, the CONTRACTOR shall be responsible for repairing or replacing any portion of any COUNTY facility, whether interior or exterior, damaged by reason of the CONTRACTOR's operation within the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items within a facility belonging to third parties, or to commissioners, officers, employees, leasees, invitees, or agents of the COUNTY, including but not limited to personal items and/or furniture shall either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

**7.18 Risk of Loss.** The CONTRACTOR assumes the risk of loss of damage to the COUNTY'S property during possession of such property by the CONTRACTOR, and until delivery to and acceptance of that property to the COUNTY. The CONTRACTOR shall immediately repair, replace or make good on the loss or damage without cost to the COUNTY, whether the loss or damage results from acts or omissions, negligent or otherwise, of the CONTRACTOR or a third party.

**7.19 Accident Notification.** If in the course of completing work as part of this Agreement there is an accident that involves the public, the CONTRACTOR shall as soon as possible inform the COUNTY of the incident by telephone. The CONTRACTOR shall follow up in writing within two (2) business days of the incident. If Law Enforcement was involved and has written a report, the CONTRACTOR shall forward a copy of the report to the COUNTY.

### ADDENDUM NO. 1

Date: July 1, 2016

RFP No. 16-0434

#### RFP Title: Fire Door Inspection and Maintenance Services

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with their response by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

#### Questions/Answers:

**Question 1:** During the Initial Inventory Inspection (See page 14), is the intent to notify the County of which doors are fire-rated or which doors should be fire-rated?

**Answer 1:** We want an inventory of type, size, etc. for ALL doors that are currently in service. The purpose of this contract is to insure that the integrity of the "Fire Doors" has not been compromised and that they are functioning as designed. The contract states that "For the initial inspection, , the Vendor shall prepare a detailed quote, of all items needing repaired or replaced on doors at all facilities to meet the NFPA 80 standard." All though the contract language states an estimate is needed for all fire rated doors, it would be preferred that at the time of the inspection, if the contractor notices an issue with a non-fire rated door, an estimate for the needed repair be forwarded to the County.

**Question 2:** Are there any building plans available that show where fire walls / barriers are located through these 110 buildings?

**Answer 2:** No.

**Question 3:** Will the County provide as built or original drawings to use for the initial inspections?

**Answer 3:** Only a limited amount of drawings are available.

**Question 4:** How will the County provide access to the facilities?

**Answer 4:** The County will have an employee escort them.

**Question 5:** Will the Contractor be given a master key?

**Answer 5:** No.

**Question 6:** Will there have to be a County escort for more secure areas?

**Answer 6:** Yes
